

PURPOSE

The objective of Leadership Terrebonne is to assist in the development of community leaders by providing participants from diverse backgrounds with an understanding of the problems, opportunities and issues facing the community. The program will also foster the development of leadership skills and techniques in an environment that encourages the establishment of new relationships and communication networks between the participants.

SELECTION CRITERIA

Participation is open to all citizens living or working in Terrebonne Parish. Leadership Terrebonne will target individuals with diverse geographical and socio-economic backgrounds and seek a racial and gender mix reflective of the population at large. The recruitment process ensures a group selection representative of business and professions, religion, education, labor, social services, and government. Since the selection process is highly competitive with a limited number of participants, applicants are encouraged to reapply to subsequent programs if not initially accepted.

PROGRAM TUITION – \$900

If accepted into the Leadership Terrebonne program, each participant, financial sponsor and/or employer will be billed for the tuition fee which covers all program costs including meals for all sessions. You may make four (4) monthly payments of \$225. The first payment must be made before the first session. Tuition must be paid in full by the end of April. A limited number of partial scholarships are available for those requiring financial assistance. Scholarship requests must be submitted in writing stating the reason(s) for the request.

PARTICIPANTS RESPONSIBILITIES

Leadership Terrebonne consists of ten (10) sessions. All the sessions take place in Terrebonne Parish except for the closing retreat. The programs are scheduled every month beginning in January and ending in October. Attendance at all sessions is important. **Participation is mandatory at the Opening Session (1 ½ days in Terrebonne Parish), SIMSOC Session, and Closing Retreat.** While attendance at all sessions is expected, you may miss up to two regular sessions and still graduate with your class. Participants not adhering to the attendance requirements will not be able to graduate with their class. However, they will be able to make up the sessions that are missed and graduate once the program has been completed. **Absolutely no exceptions are made regarding missing a mandatory session or more than the equivalent of 2 full days.**

ALUMNI

Involvement in Leadership Terrebonne does not end upon completion of the program. As part of an alumni organization, graduates of Leadership Terrebonne are expected to assume active roles in local organizations and contribute to future Leadership Terrebonne programs.
